

Grace Medical Aesthetics Policies

Appointment Policy

Arriving late will deprive you of valuable treatment time. To avoid delaying the next client, your treatment will end on time and you will be responsible for the full treatment cost. While we will make every effort to perform your entire treatment in the remaining scheduled time, we reserve the right to reschedule your appointment if we feel there is not enough time to give you quality treatment and not keep other clients waiting. Arriving more than 10 minutes late may result in cancellation of your appointment and the \$25 cancellation fee.

New Client Appointments

Please arrive 10-15 minutes prior to your appointment to allow time for completing consent forms, other paperwork, using the restroom, etc.

Cancellation Policy

If you need to cancel an aesthetic appointment, please contact us 24 hours in advance of your scheduled time. All aesthetic cancellations with less than 24 hours' notice are subject to a \$25 cancellation fee. This courtesy enables us to compensate our employees for their time, and maintains a higher availability of our time for you as well as others. By scheduling an appointment, you are agreeing to our cancellation policy. Patients arriving more than 10 minutes late may result in a shortened appointment or a cancellation if there is not enough time to complete the procedure.

Cancellation of a pre-paid and scheduled Coolsculpting Procedure will result in a fee of \$100 if not cancelled at least 48 hours in advance. Should the client choose to reschedule at a later date, the \$100 fee will be applied to the cost of the CoolSculpting procedure at that time.

Refund Policy

We do not offer refunds on services rendered. Aesthetic results are quite variable from person to person and while we do our best achieve the desired outcome if cannot always be guaranteed. Clients are responsible for further treatments needed to achieve further results.

Products: We do not offer refunds on products purchased. Products may be returned for in-store credit within 14 days from the date of purchase when there is a documented adverse reaction to the product. Treatment Outcomes

We will be honest in all our dealings with you as our trusted client. Aesthetics is not an exact science and how you may respond to a given treatment will vary from person to person. It is virtually impossible to predict results and therefore payments made for services are for treatments to be performed – not for a specific result. However, we always strive to achieve the absolute best result that we can for you. Thank you for allowing us to serve you!
