

CAST PLAQUES

The artistic qualities of casting cannot be matched by any other process. Blashfield's artisans can transform 2D designs and images into realistic, dimensional, and life-like impressions producing timeless tributes that stand beautifully for generations.

Metal casting is a 6,000-year-old art form that has stood the test of time. Our artisans sculpt molds that reflect a 3-dimensional expression of your artwork and manually pour molten bronze or aluminum from our nonpolluting electric foundry furnaces to produce a timeless, durable, one-piece work of art that is hand finished to exquisite results. Choose Blashfield's cast plaques for your projects that require multi-level surface, including faithful portrayals of people, images scenes, and dimensional seals that will be forever immortalized in a timeless expression.
