

CAPABILITY STATEMENT

Sparta Crane & Construction, LLC. is a Service-Disabled Veteran Owned Small Business providing Government agencies with infrastructure and structural services. Founded in 2014, Sparta Crane and Construction, LLC, has years of industry experience and quality you can trust. We handle projects involving crane service, drilled piers, sign construction, steel erection, transmission and distribution, and telecommunication work. Based in the heart of central Texas, we can conveniently and quickly dispatch to geographically cover the entire state, and other neighboring states. We have diverse and highly trained teams with NCCCO operators and certified welders. We have a fleet of mobile hydraulic cranes, ranging from 15 to 110 tons; and a fleet of both truck and track mounted drilling rigs, capable of drilling to depths of 100' and 10' diameter. In addition to our cranes and drilling rigs, we have various aerial equipment, support trucks, trailers, skid steers, and material handlers to accommodate any project.
