

Getting started with SureSmile® Clear Aligners is easy!

SureSmile works with your dentist to create a personalized treatment plan.

Photos are taken at your initial appointment.

Next, your dentist and the SureSmile Digital Lab work together to provide a comprehensive and customized treatment program.

Finally, you will receive your customized SureSmile Aligners and Patient Kit. Your journey to a better smile has officially begun!

Your clear and comfortable solution for a better smile starts with a conversation—talk to us today about SureSmile® Clear Aligners.
