**What we expect:**

PepperJacks can be a high stress work environment and is not for everyone. We value our employees but please understand, we do expect prep and other work to be done during down times. We aim to treat each customer with respect and each employee is required to have a pleasant attitude with each one especially regarding tips. We make sure each employee gets a 30 min break for each 5+ hour shift and are entitled to a meal on us.

\*Expectations are subject to change.
