## Meet the Team Behind Renew Specialty Group

Dr. Coral Kirscher, DNP, FNP-C

Whitney Lloyd, FNP

Stacey Ryle, Medical & Patient Coordinator

Jesten Myers, Office Manager

At Renew Specialty Group, care goes far beyond the exam room. This dynamic team blends cutting-edge medical expertise with a deeply personal approach, helping patients feel and look their best — inside and out.

Led by Dr. Coral, DNP, FNP-C, Renew is a wellness destination focused on total-body health. Dr. Coral specializes in medical weight loss, anti-aging treatments and advanced hormone therapies. She's joined by Whitney, FNP, a passionate provider dedicated to helping patients reach their health goals through evidence-based care and individualized treatment plans. Together, they lead with compassion, skill and a commitment to long-term transformation.

Behind the scenes, Stacey — Renew's warm and welcoming Medical and Patient Coordinator — ensures every patient feels supported from the first consultation to ongoing visits. Jesten, Office Manager, keeps the practice running smoothly, always focused on creating a seamless and elevated experience.

Renew offers a wide range of services, including weight health management, peptide therapy, natural aesthetics, under eye exosomes, BHRT (bioidentical hormone replacement therapy), women's and men's health, male enhancement, hair restoration, body contouring, pelvic floor therapy, regenerative medicine, pain management, Class 4 laser therapy, IV therapy and more. Every treatment is carefully selected and personalized to meet each patient's unique needs.

Whether you're seeking sustainable weight loss, hormone optimization or aesthetic rejuvenation, Renew Specialty Group offers a trusted team and proven results, right here in Lake Norman.
