

An Upscale Furniture & Home Décor Consignment Shop With A Splash Of New!

Fun Finds and Designs is all about Recycle, Reuse and Repurpose.

Moving? Redecorating? Downsizing?

We are a safer way to sell you gently used items and eliminate the hassle of a garage sale or an estate sale.

The Process

For furniture pieces or larger items, please upload pictures of your item(s) to our contact form below or email info@funfindsanddesigns.com for approval. No need to send photos of decorative pieces. Should you need pickup or delivery service, we do have movers we can schedule to pickup or deliver for a fee.

How Does This Work?

FF&D shares a 50/50 split with our consignors for a 150 day consignment term. Items over \$25 are marked down 10% every 30 days. Consignment items must be in EXCELLENT condition, clean and from a smoke free home.

What Do We Consign?

Furniture & decorative accessories, lamps with shades, mirrors, artwork, home decor, seasonal items (before the season), and rugs.

For the Do-It Yourself Painters; We sell Rethink Junk Paint by Laura Not comfortable DIY? Bring it to us and let us paint it for you. Send a picture of the item(s) you want painted and we will send you an estimate.

We are happy to help with different colors, and different glazing techniques.
