## **Dear Loyal Shield's Customer,**

We would like to address the growing concerns about the coronavirus (COVID-19) and ensure our guests we are taking extra precautions and staying informed on this rapidly evolving situation. It is our mission and ongoing commitment to provide our guests with the highest level of quality food and service in a clean, safe, and welcoming environment. We have extensive cleanliness policies and procedures in place to help protect against the spread of bacteria and germs.

### **WHAT WE DO:**

- We pride ourselves in having ServSafe certified employees at all locations who are trained and tested in proper food handling and sanitation. In addition, each Shield's location conducts daily internal inspections and adheres to the strict guidelines set forth by the local health department 100% of the time.
- We follow guidelines set forth by the Oakland County Health Department, CDC, and the Michigan Restaurant Association and require all staff members to take preventative actions such as:
  - Using gloves and washing their hands regularly for at least 20 seconds and using an alcohol-based sanitizer between washings
  - Cleaning and sanitizing all surfaces, especially areas of high usage such as door handles, faucets, menus, POS systems, etc.

Shield's has been your local, hometown, Metro Detroit gathering place for over 80 years. During that time, we have had many ups and downs. The one thing that we know for sure is that we are a resilient bunch, and we will get through this challenge together. We are optimistic that healthier times are on the horizon, and we hope you continue to join us for lunch, happy hour, and dinner.

We feature our full menu via carry out by calling (248)637-3131 or delivery by contacting one of the following services: Restaurant Connection, Grub Hub, Door Dash, or Uber Eats. We also feature online ordering through a link on the homepage of our website [www.shieldspizza.com](http://www.shieldspizza.com).

Thank you for "unchaining" yourself and supporting family-owned Shield's. Few, if any, restaurants have supported the Troy area more extensively than we have over the past 30 years.

**As always, we appreciate your continued loyalty!**
