

Summer Camp 2024- June 3-August8, 2024

Hello Families,

I am thrilled to extend an invitation for your child to join us for an enriching and exciting summer camp experience at Shoreline Summer Camp! And this year, we are traveling across the world to several different countries from right here in our very own building!

At Shoreline, we are dedicated to providing an immersive educational experience that sparks curiosity, promotes cultural understanding, and prepares students for the school year ahead. Our upcoming summer camp theme revolves around exploring countries and cultures from all corners of the globe. Through a series of engaging activities, hands-on projects, and interactive workshops, your child will embark on a journey to discover the richness and diversity of our world.

One of the hallmarks of our program is our commitment to keeping students' minds and bodies actively engaged throughout the summer. We believe that learning should be dynamic and multifaceted, which is why we incorporate a variety of activities that stimulate both the intellect and the body. From language exposure and culinary adventures to outdoor explorations and creative arts projects, every day at camp is designed to inspire, challenge, and empower your child.

In addition to our regular program, I am excited to announce that we will be introducing a new water activity every Friday, where students will have the opportunity to cool off and have fun while continuing to develop their teamwork skills. Please remember to apply sunscreen on your child before they arrive at camp, and please ensure that they have access to extra sunscreen for reapplication throughout the day.

By participating in our summer camp, your child will not only gain valuable knowledge about different countries and cultures but also develop essential skills such as critical thinking, teamwork, and adaptability. Our goal is to provide an experience that not only enriches their academic understanding but also nurtures their personal growth and self-confidence.

I invite you to join us on this exciting journey and give your child the opportunity to create lasting memories, forge new friendships, and embark on a path of discovery and exploration.

Field Trips

We are so excited to offer field trips again during our Summer Program. Field Trips help us enhance the learning environment as well as offer something fun for our students to enjoy. We do not charge any extra for field trips, however, we do require that students maintain proper behavior while on field trips.

Field Trip Guidelines

1. Students who attend a field trip must have signed permission from a parent and a parent or guardian must fill out any required forms requested by the venue, when applicable.
2. Students must follow all directions given by the teachers and group leaders while on the field trip.
3. Students must remain in their designated group.
4. Students must conduct themselves in a way that is consistent with the expectations of Shoreline Learning Center. This includes their actions and their speech.
5. When on a field trip, students are expected to leave minimal impact on places visited. This includes placing all trash in the proper receptacles, staying on designated paths and in designated areas, and only touching and using items and/or exhibits when granted by the venue and per the venue's rules.
6. While traveling, students must follow all safety guidelines set by the federal, state, and bus charter agency (when applicable).

I understand that my child's field trip attendance is dependent on their ability to follow guidelines set forth in this document. I understand that my child may be blocked from further field trips, suspended from the program, and/or removed from the program if any of the following behaviors occur:

1. Any activity that inhibits the venue from performing normal functions.
2. Vandalizing or damaging transportation vehicles, venue structures, venue exhibits, or any other property belonging to Shoreline Learning Center, Shoreline Church, transportation services, or venues.
3. Any violent act or threats of violence including actions toward staff, students, venue staff, or the general public while on venue grounds.
4. Behavior or actions that compromise the safety of a student's self, other students, transportation service, or venue guests and staff.
5. Using language that is offensive, racist, sexual, or inappropriate determined by Shoreline Learning Center behavioral guidelines and at the sole discretion of the center.

6. Running from staff, leaving the supervised area, and refusing to return to the group for any reason.

This list is not an exhaustive list and acknowledge that Shoreline Learning Center and its Administration can determine the severity of the negative behavior. If any behavior results in field trip suspension, center suspension, or expulsion, I will receive a written notice detailing the reasons the decision was made.

After signing this agreement, please proceed to the next few pages about specific trips and be sure to fill out all necessary information.

Team Building!

"Being back at Shoreline Learning Center this year has been a great experience!

I am getting to know the kids much better and we are building special relationships.

I have noticed the growth from the summer to mid school year, however, an area I want to lean into more is TEAMWORK! The kids have so much fun playing games and getting involved in activities, but when it's time to really buckle down and work as a group, they have a bit of a struggle. So, this summer shoreline will incorporate Team Building Activities throughout the summer. One way we want to do this is by creating clubs for them to learn and grow both together and individually! Below is a brief description of a couple of those opportunities!" –Mr. T

Tutu Tuesdays! This club started June 6, 2021.

Welcome to "Tutu Tuesday" – a club where little girls can embrace their inner grace, kindness, and strength as they embark on a journey of self-discovery, friendship, and empowerment.

Tutu Tuesday is a safe and supportive space where girls can learn, grow, and shine together.

Our club activities are designed to instill important values and life skills that will empower girls to navigate the world with confidence, compassion, and resilience. Through a variety of fun and engaging activities, girls will learn the following:

1. **Being a Lady:** Girls will explore what it means to be a lady by learning about manners, poise, and grace. They will discover the beauty of kindness, empathy, and respect towards themselves and others.
2. **Using Kind Words:** Girls will practice using kind and uplifting words to build each other up and create a positive and supportive atmosphere. They will learn the importance of speaking with kindness and empathy, both to themselves and to others.
3. **Friendship and Sisterhood:** Girls will participate in team-building exercises, collaborative projects, and group activities that promote friendship, cooperation, and sisterhood. They will learn how to support and uplift each other, celebrating each other's successes and strengths.
4. **Expressing Gratitude:** Girls will have the opportunity to show appreciation for their teachers and mentors by making handmade snacks and drinks as tokens of gratitude. They will learn the importance of expressing gratitude and kindness towards those who support and inspire them.
5. **Inner Strength and Confidence:** Girls will explore their inner strength and resilience through activities that encourage self-expression, creativity, and self-confidence. They will learn to embrace their unique qualities and talents, celebrating what makes them special and valuable.

Through Tutu Tuesday, girls will not only acquire valuable life skills and knowledge but also develop a strong sense of self-worth, confidence, and empowerment. Our aim is to inspire and uplift girls as they journey towards becoming strong, confident, and compassionate women who support and lift each other up.

Join us at Tutu Tuesday and experience the joy of friendship, sisterhood, and empowerment. Together, we will twirl, laugh, and lift each other up as we embrace our inner grace and strength.

Boys 2 Men Club! The Boys 2 Men Club was started June 6, 2021.

Welcome to "Boys 2 Men" – a club designed to empower young boys with the skills, values, and confidence they need to grow into respectful, responsible, and compassionate young men. At Boys 2 Men, we believe in fostering a supportive and nurturing environment where boys can learn, grow, and thrive.

Our club activities focus on teaching essential life skills that are crucial for boys as they transition into adolescence and beyond. From learning the importance of good hygiene and grooming habits to understanding the significance of respect, integrity, and kindness, our goal is to equip boys with the tools they need to navigate the journey to manhood with confidence and grace.

Through a series of interactive workshops, hands-on activities, and engaging discussions, boys will learn a wide range of practical skills and concepts, including:

1. **Being a Gentleman:** Boys will learn about the importance of manners, courtesy, and chivalry. They will practice acts of kindness, such as holding doors open for others, offering a helping hand, and showing respect towards elders and peers alike.
2. **Personal Hygiene:** Boys will explore the fundamentals of personal hygiene, including proper grooming habits, skincare routines, and the importance of maintaining a clean and healthy body.
3. **Cooking and Nutrition:** Boys will have the opportunity to explore the culinary arts by learning how to prepare simple and nutritious snacks and drinks. They will discover the joy of cooking and develop an appreciation for healthy eating habits.
4. **Expressing Gratitude:** Boys will learn the value of showing appreciation and gratitude towards others, especially their teachers and mentors. They will engage in activities such as making handmade snacks and drinks to surprise and thank their teachers for their hard work and dedication.
5. **Team Building and Leadership:** Boys will participate in team-building exercises, collaborative projects, and leadership activities designed to foster cooperation, communication, and problem-solving skills. They will learn how to work together as a team and support each other's growth and success.

Through the Boys 2 Men club, boys will not only acquire valuable life skills and knowledge but also develop a strong sense of self-worth, empathy, and resilience. Our aim is to inspire and empower boys to become the best versions of themselves and to uplift and support each other as they journey towards becoming responsible and compassionate men.
